Applications received on or after July 1/2019 will be considered for multistate licensure if requested and qualifies. If a multistate license is granted, the nurse can then engage in nursing practice in any of the Nurse License Compact states without having to obtain additional licenses. A list of the states participating in the Nurse Licensure Compact is available at https://www.nursecompact.com

Applicants must meet the uniform license requirements to be considered for a multistate license. These requirements can be viewed here: https://ksbn.kansas.gov/uniform-licensure-requirements/

IF YOU DO NOT MEET ANY OF THESE 11 UNIFORM REQUIREMENTS YOU SHOULD NOT APPLY FOR THIS CONVERSION TO MULTISTATE LICENSE. This application should only be completed if you already have an existing Kansas single state license.
