

**Kansas State Board of Nursing  
Strategic Plan July 2019 - June 2022**

**Agency Mission:**

The mission of the Board of Nursing is to assure the Citizens of Kansas safe and competent practice by nurses and mental health technicians.

**Agency Philosophy:**

The Board of Nursing will act in accordance with the highest standards of ethics, accountability, efficiency, and openness. The Board subscribes to the idea that safe nursing care is a public trust. We approach our activities with a deep sense of purpose and responsibility. The public and regulated community alike can be assured of a balanced and sensible approach to regulation.

**Core Values:** We value trustworthiness in each individual, believe we can be depended upon to act with integrity, honesty, sincerity and fairness. We value respect for each person recognizing that we all have an important role to play in achieving our organizational goals. We value continuous learning which enhances individual and organizational growth. We value competence in all staff knowing that quality leadership, support and service require knowledge, skills and accountability. We value open and effective communication through the ongoing interchange of ideas and information. We value collaboration in our work processes and decision making, recognizing when we involve others affected by decisions, we strengthen the decisions.
