

**Johnson County Sheriff's Office will now offer
fingerprinting for healthcare workers**

Appointments are available M-F (excluding holidays), from 8:20-3:40.

Applicants must schedule an appointment online;

- <https://johnsoncountysheriffsoffice.setmore.com>
- Nursing applicants will select “**Fingerprints for Other Reasons**” as the appointment reason.
- If an applicant doesn't have an appointment, she/he WILL NOT be fingerprinted.

Applicant must wear a mask, surgical or cloth to enter the building. We do not provide masks.

Only the applicant will be allowed inside, no exceptions. If they can't wait in the car do not bring them

If applicant exhibits signs of illness, it will be up to discretion of staff member whether the applicant is fingerprinted.

Staff member will bring applicant inside the lobby and the following will occur:

1. Applicants will show their instruction sheet/waivers indicating they are being fingerprinted for the Kansas State Board of Nursing.
2. Applicants will show a government issued ID or passport.
3. Applicants temperature may be taken, temperatures of 100.4 or above will not be fingerprinted.
4. Applicants will wash hands prior to being fingerprinted.
