

IMPORTANT UPDATE ON APRN CHANGES

6/30/22

The temporary regulation changes were presented to the State Records and Rules Board this morning and they only approved the following:

K.A.R. 60-11-103

K.A.R. 60-11-104a

K.A.R. 60-22-113

They DID NOT APPROVE the following:

K.A.R. 60-11-101

K.A.R. 60-11-104

K.A.R. 60-11-105

K.A.R. 60-11-107

What this means for APRNs is that the ONLY thing you can do without a collaborative agreement is to prescribe the following:

- 1) Prescribe durable medical equipment
- 2) Prescribe, procure, and administer any drug consistent with the licensee's specific role and population focus, except any drug that is intended to cause an abortion; and
- 3) Prescribe, procure, or administer any drug that is a controlled substance in accordance with the uniform controlled substances act as specified in K.S.A. 65-4101, and amendments thereto.

Due to the decision of the State Records and Rules Board this AM, the rest of the APRN practice MUST be under a collaborative agreement with a responsible physician.

Attached are the three temporary regulations that were passed today and become effective tomorrow, July 1, 2022.

Updates will be posted on our website as they occur.
