Regulation Review:

K.A.R. 60-16-102 – Discussion was had on Regulation 60-16-102 Scope of Practice. It was determined the rule and regulation was necessary and serves an identifiable purpose in support of the law. It was agreed that this regulation specifies scope of practice specific to LPN's level of education with respect to IV's and medication administration.

K.A.R. 60-4-103 – Discussion was had on Regulation 60-4-103 Fees, School, &CNE. It was determined the rule and regulation was necessary and serves an identifiable public purpose in support of State law. It was decided as a fee funded agency, standard fees are required to support staff time and effort required to oversee education provider requirements and to ensure nursing education standards are maintained.

K.S.A. 60-9-105 – Discussion was had on Regulation 60-9-105:Definitions It was determined the rule and regulation was necessary and serves an identifiable public purpose in support of State law. It was decided this

regulation ensures standardization in communication with respect to requirements for continued education for practicing nurses across the State of Kansas.

Agenda for December 2023:

1. Bibliography digital Format
2. 3 Regulations (3 in March, 2 in June)

Adjourn: The Committee adjourned at 1:32 PM.
