Motion #1 Terry/Hite

Announcements: None

Minutes: The minutes from the March 26, 2024, Education Committee meeting were reviewed.

It was moved to approve the March 26, 2024, Education Committee minutes as written. Motion #2 Palmietto/Burkhart Adopted

Educ. Spec. Report: Committee reviewed J. Martin's report. Intention for WSU Tech for an LMHT program. J. Martin updated that Flint Hills cmTent administrator is leaving. Pittsburg State hired Amy Hite as the new director of the school of nursing. J. Martin also stated she did distribute the educational annual report mid-April and will send reminders to those that are still outstanding. A new regulation requirement is out by Dept. of Education relating to federal financial aid, effective July 1. It may affect credit hours related to free standing and non-degree programs, so it may need to be looked at further. KSBN will look at additional data and ask legal for help with review of the new rules.

Consent Item Agenda

It was moved to approve the Consent Item Agenda which includes...

- a. Draft Regulation Review KAR 60-2-106, 60-2-107, 60-2-108.
- b. 2024 Site Visit Schedule
- c. Petition Summary 2/24/24 through 5/11/24.

Motion#15 Palmietto/Teny Adopted

New Regulation Review Process:

Discussion was had on LMHT regulations (60-5-102, 60-5-103 and 60-6-101) to keep the current regulations in place until changes can be re-written. Final drafts will be submitted at the September meeting.

2024 Essay Topic - R. Burkhart suggested the topic "How has AIificial Intelligence Impacted the delivery of nursing care". The topic was agreed upon by the Committee.

Unfinished Business:

Mid-America College of Health Sciences:

Follow-up documentation was presented by MACOHS as requested by KSBN. A motion was made to request another full site visit of the program with the updated information that was presented.

It was moved to recommend another follow-up after first graduation site visit for Mid-America College of Health Sciences PN Program as a full audit with visit to be done prior to admission of a new class.

Motion #16 Palmietto/Burkhart Adopted

Allied Health Career Training:

Follow-up documentation was presented by Allied Health Career Training, LPN program.

It was moved to approve the Initial Site Visit Report for Allied Health Career Training, PN program, with a follow up site visit to be done after the first graduating class is complete. After receipt and approval of the Director job description by the Education Compliance officer, approve to admit 20 students annually.

Motion # 17 Palmietto/Burkhaii Adopted

Fort Scott Community College:

Updates were presented by Fmi Scott Community College ADN program representatives on concerns that have been addressed by the program.

LMHT Draft Regulations:

Discussion was had regarding LMHT Draft Regulations and concerns were presented regarding issues with the current regulations such as

wages, receiving college credit for courses taken, availability of clinical sites, expense of the program, as well as a lack of knowledge by the public of what an LMHT is and does. Discussion with our legal counsel was suggested to review if certification could be an option over licensure and further discussion on the future vision for an LMHT work force.

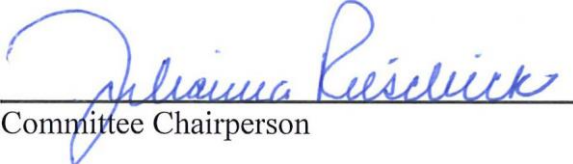

2:1 Simulation Hours for Clinical:

J. Martin provided an update on the topic of 2:1 simulation hours for clinical. Informational literature was presented, and discussion occurred over quality and safety concerns and factors that need to be considered and continued discussion to follow.

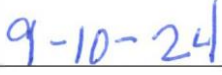

Agenda for September 2024:

- Education Annual Report
- LMHT Regulations
- 2:1 Simulation
- CCNE Standards for accreditation changes ahead
- Department of Education - LPN programs

Adjourn: Meeting adjourned at 11 :15 AM

 Committee Chairperson
