- h. University of Oklahoma Health Sciences Center – Family NP

Motion #2 Moffitt/Hertel Adopted.

Report from NCSBN APRN Roundtable:

Carol Bragdon attended the NCSBN APRN Roundtable that was held in Chicago, Illinois.

They discussed the consensus model which is key to moving forward with uniformity of APRN practice which will ultimately allow for a national compact. It helps with regulatory requirements in licensure (state permission to practice), education (preparation to practice), certification (shows you have met qualifications) and accreditation (schools quality assurance).

HB 2118:

Mary Blubaugh and Carol Moreland discussed HB 2118 and the exempt and inactive license.

Anyone with an exempt license does not have to have a Healthcare Stabilization Fund. There is no language in HB2118 that prohibits the Board from issuing an inactive license prior to the expiration date of the nursing license. With RN’s and LPN’s it’s with the renewal application.

There needs to be a change in the rule and regulation to address the nursing license changing to inactive status with a fee to apply to change to inactive at the time of renewal.

Five Year Legislative Review:

Carol Bragdon discussed that they will be getting together a task force which will include Michele Knowles and Jane Peterson to address the issue of certification.

At this time will go ahead and address the five year legislative review. It was moved to approve the following statutes and rules and regulations as per the 5 year legislative review: KSA 65-1131,

KSA 65-1132, KSA 65-1133, KAR 60-11-101, KAR 60-11-102, KAR 60-11-103, KAR 60-11-104, KAR 60-11-104a, KAR 60-11-105, KAR 60-11-106, KAR 60-11-107, KAR 60-11-113, KAR 60-11-116, KAR 60-11-118, KAR 60-11-120 and KAR 60-11-121 with no changes. Motion #3 Zeller/Busenhart Adopted.
