

# Education Report

December 2018

Janelle B. Martin, MHSA, RN

## Changes in Program Directors:

- Elizabeth B. Eagleton, PhD, MSN, RN is the new Associate Dean of Nursing and Allied Health at Butler Community College and will serve as the Nurse Administrator for the nursing program, effective November 12, 2018.

## Updates:

- Kansas Wesleyan University received notification that their Baccalaureate program for nursing has been accredited by CCNE until the end of 2023 with the next site visit being in the Spring of 2023
- Jordan Howard, Director of Nursing at Fort Scott Community College, sent notification that their local hospital, Fort Scott Mercy, is closing at the end of 2018. This hospital has been a part of the FSCC program since its inception and has been utilized for both first and fourth semester nursing students. While this facility will be greatly missed, both Girard Medical Center and Nevada Regional Medical Center have offered to absorb the days vacated by Mercy's closing.
- KSBN staff did a student workshop for Mid-America Nazarene University students and faculty on 9-24-18. There were 145 students and 4 faculty in attendance.

## Program Site Visits:

- Reapproval site visit to Fort Scott Community College for ADN program on September 25-26
- Reapproval site visit to Washburn University for BSN and Graduate programs on October 3-5
- Reapproval site visit to Seward County Community College for PN program on October 10-11
- Reapproval site visit to Garden City Community College for PN program on October 23-24
