**Case No. 2023-244-0, 2021-104-3**

**SUMMARY ORDER**

The above matter comes before the Kansas State Board of Nursing (“Board”) pursuant to authority granted by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against Victoria Mae Boucher (“Applicant”), by way of Summary Order as provided by K.S.A. 77-537.

1. Applicant filed an application with the Board. The Board has jurisdiction over the Applicant and the subject matter of this action.
2. Applicant's address of record is 135 N. Elm, Osborne, KS 67473.
3. The role of the Board is to protect citizens of Kansas.
4. After an investigation, the Board's investigative committee chairperson found reasonable grounds to believe that Applicant failed to meet the requirements to practice as a nurse in Kansas and referred this matter for further proceedings.
5. Pursuant to K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act, the Board shall “approve or deny the application, in whole or part, on the basis of emergency or summary proceedings, if those proceedings are available under this act.”
6. K.S.A. 77-537(a) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if:

The use of those proceedings in the circumstances does not violate any provision of law; (2) the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties; (3) based upon an investigation of the facts by the state agency, beyond receipt of the allegations, the state agency believes in good faith that the allegations will be supported to the applicable standard of proof...; and (4) the order does not take effect until after the time for requesting a hearing has expired.

7. Pursuant to K.S.A. 65-1120(a), the Board,

may deny, revoke, limit or suspend any license or authorization to practice nursing... that is issued by the board or applied for under this act, or may require the licensee to attend a specific number of hours of continuing education in addition to any hours the licensee may already be required to attend or may publicly or privately censure a licensee...,”

if certain enumerated grounds are found. These grounds include various specific charges enumerated in K.S.A. 65-1120(a)(1) to (10), and unprofessional conduct, as defined by the rules and regulations of the Board.

### **FINDING OF FACTS**

8. On or about February 10, 2022, Applicant was convicted of a Level 8, Person Felony for Mistreatment of Dependent Adult or Elder Person, a violation of K.S.A. 21-5417(a)(3), (b)(3).

### **VIOLATIONS**

The above fact findings establish evidence that the Applicant violated the following provisions of the Kansas Nurse Practice Act and is not eligible for a license to practice nursing in Kansas:

**Count 1: K.S.A. 65-1120(a)(2), “to have been guilty of a felony... no license or authorization to practice nursing as a licensed professional nurse, as a licensed practical nurse, as an advanced practice registered nurse or registered nurse anesthetist shall be granted to a person with a felony conviction for a crime against persons as specified in article 34 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or article 54 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2022 Supp. 21-6104, 21-6325, 21-6326 or 21-6418, and amendments thereto.”**

### **IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT:**

1. Applicant's application is DENIED.
2. Applicant shall not practice nursing in the State of Kansas.
