Kansas Announces Statewide Integration of Prescription Drug Monitoring Program

Adding K-TRACS Data to Electronic Health Records and Pharmacy Management Systems

The Kansas State Board of Pharmacy (Board), in conjunction with the Kansas Department of Health and Environment (KDHE), is pleased to announce a new partnership with Appriss Health to provide interoperability services for all prescribers and pharmacists in Kansas to access K-TRACS, the Kansas Prescription Drug Monitoring Program, through the PDMP Gateway®. “This is an opportunity for Kansas to deliver a more efficient and patient-oriented prescription drug monitoring program,” said KDHE Secretary Susan Mosier, MD, MBA, FACS. “Integrating a patient’s controlled substance prescription data into the electronic health record helps providers treat that patient.”

The project is funded by a grant from the Centers for Disease Control awarded to the Kansas Department of Health and Environment. “Grant funds will support Gateway® connection costs for each Kansas electronic health records and pharmacy management system approved for integration,” said Board Executive Secretary Alexandra Blasi. “This multiagency collaboration furthers the K-TRACS mission to prevent diversion, misuse and abuse of controlled substances in Kansas, while protecting legitimate medical use.”

The Board successfully piloted electronic medical/health records integration a few years ago, enabling a single sign-on for access to a patient’s medical record and prescription history. The Board will begin to model this integration statewide which will increase availability, ease of access, and use of a patient’s controlled substance prescription history for making critical and informed prescribing and dispensing decisions. Currently, prescribers and pharmacists log in to separate systems to query patient data which takes valuable time away from patient care and interaction. This integration simplifies the process by creating a one-stop-shop, making K-TRACS data directly available in the patient’s electronic record.

For more information and to request integration, please visit http://pharmacy.ks.gov/k-tracs/k-tracs-statewide-integration. Integrations must be approved by the Board and will require reporting to the Board regarding such connections.
Practice Committee

The Practice Committee met on Tuesday June 13, 2017. The committee reviewed three regulations as part of the regular 5 year plan for legislative review. They were KAR 60-3-106, KAR 60-3-106a and KAR 60-3-112. No changes were recommended by the committee. There was a discussion about the administration of hypnotics for procedural sedation and whether that was within the scope of the Registered Nurse. The committee restated the focus of the law being on the reason for the administration not the type of drug itself. The committee concluded that this could be acceptable practice for the RN if base requirements are met. M. Kidwell discussed the dates that were added to K.A.R. 60-16-104. The committee moved to approve K.A.R. 60-16-104.

June 2017 Education Committee

The Education Committee met June 13, 2017 and was called to order by Patsy Zeller, MSN, APRN, NP-C, Chair at 8:33 a.m. in Room 509 of the Landon State Office Building. The onsite packet was reviewed. The minutes from March 28, 2017 were approved. An announcement was made informing committee of the date of Mary Blubaugh, Executive Administrators retirement. Carol Moreland MSN, RN presented her Education Specialist report. The site visit report from Hutchinson Community College PN Program was reviewed. It was moved to accept the site visit report for Hutchinson Community College PN program and to reapprove the program for a time period consistent with National accreditation.

The site visit report from Hutchinson Community College ADN Program was reviewed. It was moved to accept the site visit report for Hutchinson Community College ADN program with recommendations and to reapprove the program for a time period consistent with National accreditation.

The site visit report from Colby Community College ADN Program was reviewed. It was moved to accept the site visit report for Colby Community College ADN program with recommendations and to reapprove the program for a time period consistent with National accreditation.

KAR 60-3-106, KAR 60-3-106a and KAR 60-3-112. No action plan submitted in January 2018 if NCLEX first time visit report for Colby Community College ADN program was reviewed. It was moved to accept the site visit report for Hutchinson Community College PN program and to reapprove the program for a time period consistent with National accreditation.

The following schools presented major curriculum changes:
- Pittsburg State University BSN Program
- Pittsburg State University DNP Program

Newman Regional Health has positions for both experienced and newly graduated Registered Nurses. Newman Regional Health is offering $3000 educational loan payoff per year for three years for the positions of Registered Nurses.

MONICA S. SCHELBMEIR, PhD, APRN, FAANP and GERI TYLELL, MSN, RN discussed the difficulties that military veterans face in transitioning from military service to civilian practice across the nation. A taskforce was created in 2016 to discuss a process for looking at military credit/programs in all three levels of nursing education. The taskforce is looking at achieving an articulation or bridge program in Kansas for the military medic. At the request of the Education Committee the Military Articulation Initiative will be placed in the Education agenda for ongoing discussions.

Carol Moreland discussed the request to release NCLEX information form. This form will allow the Kansas State Board of Nursing at the request of an individual to release their NCLEX information to another State Board of Nursing.

Site visit schedules were reviewed. Carol Moreland will email committee members requesting assistance with site visits, if needed.

Thirteen petitions for permission to test/retest were reviewed and action taken. The meeting was adjourned at 10:29 a.m.
June 2017 CNE Committee

The June 2017 CNE Committee was called to order June 13, 2017 at 8:35 a.m. in room 560 of the Landon State Office Building in Topeka by S. Brown, Chair. Agenda revised adding Leanna Beeson as present and in person. The minutes from the March 2017 meeting were approved without corrections.

M. Kidwell reported on the total number of IOA's submitted from March 2017 – May 2017. The total of IOA's submitted was 449, 108 of the submitted IOA's were denied. The number one reason for denial was failure to submit proof of completion and the 2nd top reason was failure to submit offering objectives. The summary of all denied IOA's was reviewed without further discussion.

The committee reviewed K.A.R. 60-9-107. It was moved to approve the changes made to K.A.R. 60-9-107 with additional language of, “unless is a classic reference” to be added.

The committee reviewed K.A.R. 60-9-105. It was moved to approve the changes made to K.A.R. 60-9-105.

M. Kidwell discussed data collected on investigative cases from the time period of 2012-2016 and the top CNE topics that were recommended out of the Investigative Committee for Nurse Practice Act Violations.

The following Long-term Provider 5 year renewal applications were approved as submitted:
- Hutchinson Community College
- Midland Care Connection
- Carrefour Associates/Crossroads Hospice
- Greater Kansas City Chapter of ASPMN

Investigative Committee

The Investigative Committee meeting for Monday June, 2017 was called to order at 8:30 am. Minutes for the March 2017 meeting were read and approved. The KNAP quarterly statistical summary was reviewed. Alan Murray, Executive Director for KNAP gave a presentation on new trends in impaired provider treatment and monitoring programs. There are no further items for legislative review for this calendar year. A total of 139 cases were reviewed and disposed of by the Committee members.

The meeting was adjourned at 9:30 a.m.

Understanding Aging

Earn a master’s degree or graduate certificate in gerontology online.

Older adults have changing needs as they move from middle age through later life stages. It’s important to meet those needs by studying the aging process as it affects individuals. Kansas State University’s online gerontology programs prepare you for a career centered on understanding and serving the fastest-growing population of the U.S.

Programs are designed around the core competencies of the Association for Gerontology in Higher Education.
Organizations in Kansas for Nursing Practice and Education

acronyms that are utilized for nursing organizations in Kansas. In the June 2016 issue of the Kansas State Board of Nursing Newsletter, this schematic and short description of each organization is listed.

Each organization listed on the schematic has been asked to provide a more detailed description. Below each description is the name of a person involved with the organization and the phone number or email address for more information.

Professional Organizations:

### Kansas Organization of Nurse Leaders (KONL):
KONL is a state agency whose mission is to promote the professional growth and development of nurses across the state. The agency aims to fulfill its mission by providing networking opportunities, educational opportunities, and advocacy for quality nursing education in Kansas. Membership is voluntary. The purposes of KONL are to promote baccalaureate and higher degree nursing education by maintaining a network for nurse educators in higher education programs to facilitate communication, collaboration, legislative action participation, and advocacy for quality nursing education in Kansas. Linda Adams-Wendling, Chairperson, ladamswe@emporia.edu.

### Kansas Association of Colleges of Nursing (KACN):
KACN is a statewide organization which strives to provide communication, networking with colleagues, resource sharing, and educational opportunities to enhance nursing leaders' knowledge and skills. The organization is comprised of all levels of nursing leadership divided into eight districts within the state. The goal of KACN is to facilitate the professional growth and development of new and experienced nurse leaders. www.konl.org

### Kansas Commission for Nursing Education and Practice (KNEP):
KNEP was formed as a Task Force in 1998 with six representatives from all levels of nursing education and five members from the Kansas Organization of Nurse Leaders from both rural and urban Kansas settings. The number was subsequently increased to six KONL members. KNEP became a committee of KONL 2002 and in 2007 a commission. KNEP serves as a resource for nurses in education and practice. To see these resources go to www.KONL.org/KNEPCommission. Brenda Moffitt, Chairperson, 785-263-2100 bmoffitt@mhsks.org

### Kansas Action Coalition (KASC):
KASC was founded in 2011 with a goal toward ensuring that high quality, patient-centered nursing care is available for all Kansans. The KASC is implementing recommendations from the Institute of Medicine's landmark report _The Future of Nursing: Leading Change, Advancing Health_. Key messages from _The Future of Nursing_ report suggest how nursing should advance nursing education, practice, and leadership to meet the needs of individuals, families, and populations in an increasingly complex and diverse health care environment. The KASC is meeting its goal through the work of nurses and non-nurses on four Teams: Education, Practice, Leadership, and Advocacy. www.kansasactioncoalition.com

### Kansas Council of Practical Nurse Educators (KCPNE):
The purpose of the organization is to promote Practical Nursing Education in Kansas among Practical Nursing programs and others who influence Practical Nursing. This involves developing liaison relationships with the Kansas State Board of Nursing and state and national nursing organizations. A major focus is monitoring and responding to related legislation as it relates to Practical Nursing. Recruitment of Practical Nursing students is important to the organization and the future of nursing in Kansas. The organization is comprised of Nurse Administrators or representatives of Practical Nursing programs in Kansas. Cynthia Jacobson, Chairperson, cjacobson@highlandcc.edu.

### Kansas Council for Collaboration in Nursing (KCCN):
KCCN is comprised of all the nurse educator councils. This council meets together to discuss relevant nursing issues related to education and the practice of nursing. This council meets at least twice a year with representatives from Kansas Organization of Nurse Leaders (KONL).

**KANSAS COUNCIL OF ASSOCIATE DEGREE NURSE EDUCATORS (KCADENE):**
KCADENE is made up of nurse educators from associate degree nursing programs that are approved by the Kansas State Board of Nursing. The purpose of KCADENE is to enhance communication among ADN programs and with individuals and groups who influence associate degree nursing. KCADENE promotes relationships and networking with state and national nursing organizations and agencies. They monitor, initiate, promote, and respond to legislation that relates to associate degree nursing. We also promote ADN education through faculty development, scholarships, the KCADENE Fall Forum education conference, and through member representation on state-wide organizations, councils, and committees.

The council meets quarterly in Topeka with dates that coincide with KSBIN meetings. Bill Rhoads, Chairperson, bill@fortscott.edu.

**KANSAS COUNCIL OF PRACTICAL NURSE EDUCATORS (KCPNE):**

The purpose of the organization is to promote Practical Nursing Education in Kansas among Practical Nursing programs and others who influence Practical Nursing. This includes developing liaison relationships with the Kansas State Board of Nursing and state and national nursing organizations. Kansas State Board of Nursing Joins Nursys

We are pleased to announce that verifications of licensure to another state will now be achieved by a more secure and electronic process! Beginning May 12, 2017 this process will facilitate the turnaround for licensure verification to be sent to a state of your choice via Nursys®.

Nursys® is the only national database for licensure verification for registered nurses (RNs), licensed practical/vocational nurses (LPNs) and advanced practice registered nurses (APRNs). Nursys® is designated as a primary source equivalent database through a written agreement with participating boards of nursing. Nursys® is live and dynamic, and all updates to the system are reflected immediately, pushed directly from participating board of nursing databases through frequent, secured data updates. Nursys®, a 24/7 nationwide database for verification of nurse licensure and discipline, will make licensure verification immediately available to the board of nursing where an individual is applying for licensure. National Council of State Boards of Nursing (NCSBN) provides automatic license status quickly, easily, securely and free of charge to individual nurses who enroll through Nursys e-Notify.

For questions regarding verifications or Nursys, including processing times, visit Nursys.com for instructions and an introductory video.

KSBN’s new website...

Check it Out!

The Kansas State Board of Nursing is happy to present its new website, same location (www.ksbn.org) just a new look and feel. Please go check it out and see what’s new and what has been improved.

There is a constant feed from our social media so you can keep up to date as well as a calendar of upcoming events the board has scheduled. You can click on an event to get more details.

We know many of our users are using mobile devices these days to get things done, so we made the new site mobile device friendly as well.

Nursing Careers at Brandon Woods at Alvamar

RN, LPN

New nurses welcome! New training program!

Happy Holidays
from the Board and Staff of the
Kansas State Board of Nursing
Changes to K.A.R. 60-4-101

On April 19 at a special board meeting, the board voted to increase the verification of licensure fee from $25.00 to $30.00. This change was completed so Kansas would be able to join electronic verification of licensure through Nursys®. Beginning May 12, 2017 this process will facilitate the turnaround for licensure verification to be sent to a state of your choice via Nursys® which is live and dynamic. Nursys®, a 24/7 nationwide database for verification of nurse licensure and discipline, will make licensure verification immediately available to the board of nursing where an individual is applying for licensure. Below is the changed regulation.

60-4-101. Payment of fees.

The following fees shall be charged by the board of nursing:

(a) Fees for professional nurses.

1. Application for license by endorsement to Kansas ............................. $75.00
2. Application for license by examination ........................................... 75.00
3. Biennial renewal of license .......................................................... 55.00
4. Application for reinstatement of license without temporary permit ....... 70.00
5. Application for reinstatement of license with temporary permit .......... 95.00
6. Certified copy of Kansas license ..................................................... 25.00
7. Inactive license ............................................................................. 10.00
8. Verification of licensure ................................................................. 30.00
9. Application for exempt license ....................................................... 50.00
10. Renewal of exempt license ............................................................ 50.00

(b) Fees for practical nurses.

1. Application for license by endorsement to Kansas ............................. 50.00
2. Application for license by examination ........................................... 50.00
3. Biennial renewal of license .......................................................... 55.00
4. Application for reinstatement of license without temporary permit ....... 70.00
5. Application for reinstatement of license with temporary permit .......... 95.00
6. Certified copy of Kansas license ..................................................... 25.00
7. Inactive license ............................................................................. 10.00
8. Verification of licensure ................................................................. 30.00
9. Application for exempt license ....................................................... 50.00
10. Renewal of exempt license ............................................................ 50.00

What is KNAP?

KNAP is a professional assistance program designed to assist all nurses and mental health technicians who have a problem or illness that has or could impair their ability to practice safely.

The Goal of KNAP

Mental and physical illness, including alcohol and other drug addiction, can potentially impair practice and health. We estimate that at any given time, approximately 10% of the population is affected. This same percentage is thought to be true of healthcare professionals.

Alcohol and other drug addiction, as well as mental and physical illnesses, are treatable. KNAP works with the program participants to obtain an evaluation, treatment (if indicated), and monitoring throughout the recovery process.

Anonymous referrals are not accepted. A person may call for information or advice without giving their name, however. Referrals may be made by calling 913-236-7575.

KNAP Providers

Confidential services to Kansas RNs, LPNs, and LMH-PCs experiencing problems and illnesses which could lead to impaired practice.

Interventions, assessments, referrals for evaluation and treatment (if indicated).

On-going monitoring through random urine drug screens, contact with employers and monthly groups.

Causes for Concern

Job Function

Narcotic discrepancies, e.g.: incorrect counts, alteration of narcotic containers, increased patient reports of ineffective pain control, discrepancies on records or frequent corrections of records, unusual amounts of narcotics wasted; significant variations in the quantity of narcotics ordered for the release of units or shifts.

Fluctuations in the quality of work performance.

Irresponsible behavior from someone previously conscientious and responsible.

Requests to work shifts that are the least supervised.

Inordinate interest in patients’ pain control medications.

Behavior

Increasing isolation from colleagues, friends and family and avoiding social activities.

Complaints from others about work performance or alcohol or drug use.

Physical Symptoms

Obvious intoxication such as swaying, staggering or slurred speech.

Odor of alcohol on breath or the excessive use of breath-fresheners or perfume to disguise the odor of alcohol.

Anonymous referrals are not accepted. A person may call for information or advice without giving their name, however. Referrals may be made by calling 913-236-7575.

KNAP Providers

Confidential services to Kansas RNs, LPNs, and LMH-PCs experiencing problems and illnesses which could lead to impaired practice.

Interventions, assessments, referrals for evaluation and treatment (if indicated).

On-going monitoring through random urine drug screens, contact with employers and monthly groups.

Causes for Concern

Job Function

Narcotic discrepancies, e.g.: incorrect counts, alteration of narcotic containers, increased patient reports of ineffective pain control, discrepancies on records or frequent corrections of records, unusual amounts of narcotics wasted; significant variations in the quantity of narcotics ordered for the release of units or shifts.

Fluctuations in the quality of work performance.

Irresponsible behavior from someone previously conscientious and responsible.

Requests to work shifts that are the least supervised.

Inordinate interest in patients’ pain control medications.

Behavior

Increasing isolation from colleagues, friends and family and avoiding social activities.

Complaints from others about work performance or alcohol or drug use.

Physical Symptoms

Obvious intoxication such as swaying, staggering or slurred speech.

Odor of alcohol on breath or the excessive use of breath-fresheners or perfume to disguise the odor of alcohol.

Kansas State Board of Nursing Launches Online Applications
Conveniently manage your nursing licenses online

Welcome to the Kansas State Board of Nursing

The week of October 10th the Kansas State Board of Nursing (KSBN) launched their online Kansas Nursing License Portal. The portal is designed to give applicants the ability to apply and pay for their license(s) from the convenience of their home—24 hours a day, seven days a week. The service is available for all professions except mental health technicians.

The goal of the Kansas State Board of Nursing is to provide applicants a more efficient and convenient way to apply for their license. KSBN is very proud to offer this service.

The Online Kansas Nursing License Portal ties into KSBN’s current licensing system with its partnership with Systems Automation Corporation, a state government licensing system provider. It allows the user to apply for a Kansas nursing license, verify information, and manage changes to their license electronically. Through its partnership with the Information Network of Kansas, Inc., KSBN’s online Kansas Nursing License Portal also allows applicants to securely pay for online services via electronic check or credit card.

To apply for nursing licensure you must have access to the Internet and a checking account or credit card. Applicants who apply online do not have to mail in the license application.

You can visit the Kansas Nursing License Portal www.ksbn.org.

Want to see our website? Point your Internet browser at http://www.ksbn.org.
