

Kansas State Board of Nursing  
Position Statement on

LICENSEE RIGHTS AND RESPONSIBILITIES  
RELATED TO WORK RELEASE DURING A  
DISASTER

The Kansas State Board of Nursing (KSBN) endorses the American Nurses Association position statement on “[Registered Nurses’ Rights and Responsibilities Related to Work Release During a Disaster](#),” in regard to the registered nurses rights, knowledge of state and federal law, and ethical responsibilities and considerations. The KSBN extends the endorsement to include all licensees under its jurisdiction including licensed practical nurses, advance registered nurse practitioners, registered nurse anesthetists, and licensed mental health technicians.
